these officers the Americans are chopping for their own needs. From the first each battalion has cut enough wood for its day to day needs. He cently a force of several hundre soldier wood choppers has been or ganized in each division to start as cumulating a divisional reserve. Around each village where our troops are billeted woodpiles are rising like railroscoal piles when a strike is anticipated Motor trucks bring in the logs, the branches are cut to uniform length and not even a twig and only a very follower than the control of the process of the proc

While the men are chopping trees and manicuring twigs into kindling wood they are being toughened physically, but they are not learning to throw grenades or handle complicated machine guns or several other new wrinkles of warfare. That is why tha regiment of foresters that is being organized in the United States is so eagerly awaited. They will do, the work under men who have studied and practiced forest conservation and work with men who have made "swinging an at" a life business. The French have no labor to spare to relieve our men and the German prisoners are all busy elsewhere. There may be a larger supply later.

An immense supply of wood is needed. Camp kitchens all burn wood and to consider the several supply that the several supply that the several supply the several supply the several supply that the several supply the several s

awhile.
"Sergeant, who has been lighting matches here?" demanded a sharp-eyed inspector general, who suddenly entered one of the marine billets this week. He poked a charred splinter

with his toe.

"Those French soldiers must have been in here again, sir," replied the old sergeant. "I have a fierce time trying to keep them from smoking in here when I'm away."

Sheep Could Not Sleep.

it. One quiet woman already has complained, not that the boys smoked, but that they talked so late at night that her sheep, corralled below them, could not sleep and were getting thin. Even without fire the men will not be cold. Each one will have four blankets and an overcoat issued to him by the Army. British and French sol-

FIELD HEADQUARTERS AMERICA CAN EXPEDITIONARY FORCES France, October 1.—Keeping our boys warm in winter is a job which has al-

Consequently the Army is chopping wood. France has a wonderful forest reserve, an asset from which the United States might learn a lesson before it is too late. These forests have been watched and cherished by the government for centuries. On the big map of the country the woods and forest anything that has trees and an area six square miles is called a forest as much permanent fixtures as are rivers and mountains. Army Is Chopping Wood.

Director of the Drama League Players **Dramatic**Expression at his Studio, 1306 G Street. Main 2183 so carefully is every scrap of the pre-cious full conserved. Foresters Are Awaited.

ed. Camp kitchens all burn wood and to cook daily three square meals such as a soldier puts away considerable fire is essential. Then there are the fire is essential. Then there are the headquarters offices, mess halls recreation centers, Y. M. C. A. huts and other buildings to be heated. It is stimated that each division will need 1,000 stoves and 500 braziers. Orders have been placed on that basis. A division will also be allowed fifty tons of coal daily in addition to the wood. The stoves already have been put in place in the big barracks which Gen. Pershing and his staff are using for general headquarters, and an initial supply of 750 tons of coal is coming in. MILTON BUSINESS Isaac and Benn Pitman Shorthand

No Matches Allowed There. The men billeted in barns, hay lofts and other substantial stone buildings will not have heat. They are not allowed to light matches, candles or cigarettes in their billets, much less have a stove, which might tumble over and touch off an entire village, which looks away a volunteer fire denort. any smoking in his hayloft if he knows

But the French peasant will not have

by the Army. British and French soldiers have only one blanket and overcoat aplece and they are hardened to that, even though the French private marches in his overcoat the hottest days in summer. Besides, in the trenches there will not be any stoves or Morris chairs and our boys may as well get accustomed to it.

They can pass the evening in a well heated recreation hall until the call to quarters sounds on the busies at 10 o'clock and then a quick run to the billets, a dive under the blankets and snug and asleep before tams at 10:20. Getting up in the cold, dark winter mornings may be some bone-chiller, but there will always be a hot breakfast waiting, and then work to get the blood tingling.

Burglar and Murderer Escape. William Preston, colored, whos ter-orized residents of Cleveland Park in May of last year, and was senten to nine years' imprisonment, has ca-

caped from the reformatory at Lorton.
Preston had served a sentence of ten
years before his arrest for robbing
Cleveland Park residences. Other fugitives from the reformatory include a
murderer who was under a life sen-
